Цели и задачи

«Философские науки» – ежемесячный рецензируемый научный журнал, публикующий статьи на русском и английском языках. Журнал был учрежден в 1958 г. как научное образовательное просветительское издание для системы отечественного образования. Статьи журнала посвящены как традиционным, классическим философским темам, так и актуальным проблемам современности и перспективам социокультурного и цивилизационного развития человечества.

Aims and Scope

Russian Journal of Philosophical Sciences = *Filosofskie nauki* is a peer-reviewed monthly journal published in Russian and English languages. The journal was founded in 1958 as a scientific and educational periodical for the educational system. The papers of the journal are dedicated to classical problems of philosophy as well as to important issues of the modernity and prospects of sociocultural and civilizational development of humankind.

С условиями публикации материалов в журнале и порядком рецензирования статей можно ознакомиться на сайте:
